

I _____ pledge to protect snakes.

Snakes are critically important animals for our world, as they maintain balance in the food web and keep ecosystems healthy. Having snakes in your community provides humans an ecological service by controlling pest populations. In taking this pledge you are committing yourself to native snake conservation through...

- Promoting responsible pet ownership
- Driving responsibly to avoid snakes and wildlife on and near roads
- Speaking out against the indiscriminate killing of snakes
- Making your backyard and home snake safe, through restoring and protecting snake habitat
- Using less herbicides and pesticides
- Consuming less and recycling more
- Only purchase legal and ethically sourced animal products
- Learning about and sharing your excitement for snakes and wildlife
- Support snake conservation efforts

“In the end, we will conserve only what we love; we will love only what we understand and we will understand only what we are taught.”
